

Regional Occupational Programs

Success begins with you.

You can give your career a head start in high school!

ROP offers over 100 classes in many careers, including:

- Agribusiness
- Arts & Communications
- Business & Marketing
- Consumer & Human Services
- Health & Medical
- Industry & Technology
- Information Technology
- Science & Technology

Explore careers in high school and earn credits at the same time!

Juniors and seniors and those aged 16 or older can explore careers, gain skills, and in some classes earn advanced placement or credits in community colleges. Also, high schools grant elective graduation credits for classes.

Learn job skills on the job.

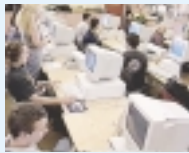

ROP offers paid and unpaid internships in many fields and in hundreds of local businesses and industries.

Obtain help to find jobs.

Instructors have many business and industry contacts. ROP staff can help you find work. This service is free.

Gain skills and confidence!

Sound like a lot to gain? It is, and if you give ROP your best, we are convinced you will learn skills, gain confidence, and reduce your apprehensions about entering the job market.
